THE MESSENGER

May 2025

A MESSAGE FROM OUR MANAGEMENT TEAM

May of 2025 looks very different at Moira Place than it has in years past. This May, we are celebrating our beloved Director of Care, Linda Facey who is retiring from AON in May and has had her last official day as Director of Care at Moira Place on April 14th, 2025. Linda has been DOC at Moira Place since 2009. She has worked tirelessly to ensure that the care department at Moira Place has provided a gold standard of care to all of our residents.

Linda's dedication, skill, and compassion have made a real difference at Moira Place. We are so grateful for her contributions. Linda is such a valued member of the Moira Place team. As Linda embarks on this new chapter, we wish her all the best. We wish her a retirement that's as rewarding and fulfilling as the countless lives she has touched. We hope this new journey is filled with joy, relaxation, and fulfillment. We hope she enjoys the new adventures, hobbies and experiences that retirement brings her way.

We have some messages to share from residents and staff to highlight Linda's impact and some retirement advice that was shared:

"-As you must have seen over the years, keeping in touch with family and friends will result in a wonderful retirement. All the best! – Syd

-I would see you out and about interacting with people and that was nice to see, now it is time to relax – Rella

-You have been super helpful with some struggles I have had over the years. Now just have fun with the kids and grandkids, I wish you the best, enjoy retirement. Many thanks – Schyler

Thank you, Linda, for your years of dedication and leadership here. I appreciate your guidance and support, it has been truly invaluable. – Angie

I could always go to you for anything you are very understanding and compassionate – best of luck in your retirement – Diane

You fought for my mom and me, and Moira Place is your extended family. You are very caring. I will never forget what you have done for us. Enjoy your time now and take time for yourself. – Deb

Your nursing experience is invaluable Linda, you always had the answer, and your door was always open. You never failed to offer support. I will truly miss you. Relax now, you earned it. – Denise

Linda is one of the reasons I was confident enough to go back to school, knowing I still needed to work and wanted to be home with my daughter for important events. That's what makes a good manager, it's what makes a good person. I will miss you personally and professionally. Stay busy doing things that make you happy, you have certainly earned it. –Jakki"

Linda has been an inspiration to so many, we thank her for all she has done, Moira Place will miss you,
Moira Place Management Team 😊
