Remembrance Day is just around the corner, we will be holding our service on Tuesday November 11th at approximately 11:00am. The service at Moira Place will be similar to what happens at the Cenotaph in Tweed, and it's an excellent celebration and time to remember those who've given the ultimate sacrifice for our country. Over the years we've had some wonderful Remembrance Day ceremonies at Moira Place. We will recognize former and current veterans of Moira Place. The service will take place in our Fireside Lounge. There are a number of heroes among us, and we are reminded that we should not take our freedom and democracy for granted as lives were lost in the preservation of such liberties.

We would like to provide a friendly reminder of a rule and regulation that applies to long-term care homes in our province. A feature we have on most cell phones is a camera. We've had visitors come into our home and begin taking photographs with their cell phones over the years. We are very grateful for your interest in the home however, we ask that you not take pictures of any residents other than your own loved one. Any photographs that we publish in our newsletters or on social media are done with the permission of our residents and/or their substitute decision makers. It's important to remember that Moira Place is home to 128 people who have rights regarding their privacy that are entrenched in legislation in the province of Ontario. We appreciate your support.
