at 2:00pm**

**15th – Kathy  
at 2:00pm**

**19th - Reindeer  
Visits  
at 1:30pm**

### **Message from the Administrator**

As mentioned in our November Newsletter, we will be celebrating Christmas for our Residents and their families on Wednesday December 10<sup>th</sup>. Lunch with all the trimmings will be served at 12:00 PM (noon) in our dining rooms in each home area. Our thought behind having an additional Christmas dinner is to allow families who can't attend on Christmas day a chance to celebrate the season early with their loved ones. We will have entertainment in our fireside lounge following the meal service.

On Christmas day, we will be having a traditional dinner (at 5 PM) for our residents. Family may join them as well; however, we do have limited spacing available, please sign up ahead of time at our front desk.

On Friday December 19<sup>th</sup>, we will be having reindeer visiting our home. There will be hot chocolate and festive activities. We encourage and welcome families to attend and enjoy the festivities with their loved ones.

At this time of the year, we also take the opportunity to remind everyone of the policy regarding gift giving to our employees. The policy does not allow for staff or volunteers to accept personal gifts from residents or families, and any gifts that are given directly to staff or volunteers are brought forward to me and then discussed with the family /resident. It is okay to bring chocolates, sweet treats or fruit baskets for all the staff in a home area. If you have any questions in regard to our policy, please come and see me or give me a call and I will be more than happy to speak with you.

Wishing you a very Merry Christmas and all the best of the season from the entire team at Moira Place.

Tera Pollock RN,  
Administrator

**Wishing Peace, love  
and joy this holiday  
season.**
