From the Administrator

On April 24, 2026, we will recognize our volunteers with a celebration of their effort, time and dedication in the enhancement of our residents' lives. We will have a "Tapped into Excellence" theme this year for our celebration. Our invitations have gone out to our incredible volunteers. Over the course of 2025, our 21 volunteers put in 3,134 hours, volunteering with us. This is an incredibly impressive amount of time spent that speaks to the quality of our volunteer program and the dedication and devotion that individuals have shown toward our resident population at Moira Place.

Volunteering is a meaningful way to support others by giving our time and resources. People choose to volunteer for many different reasons and in many different ways. Some do so to support a cause they are passionate about or personally connected to, while others want to become more involved in their community. Often, volunteers dedicate their time to helping individuals or groups who need it most.

At its heart, volunteering is about making a difference. The next time you see someone volunteering in our Home, please take a moment to thank them for their efforts. Their generosity benefits us all and helps enhance the quality of life for our residents while supporting Moira Place as a Home of choice in our community.

As mentioned in our March 2026 Newsletter, our 11th Annual Easter Egg Hunt will take place on April 4th, which is a little earlier than last year's hunt. If you can attend, we hope that you have a great time, and we look forward to planning our 12th in 2027!
