From the Administrator

Sunday, May 10th is Mother's Day, a time when we traditionally welcome many families into the Home to celebrate this special occasion with their loved ones. We will be hosting a Mother's Day celebration on May 7th and May 8th for Heritage resident's, further details can be found in the newsletter and our monthly calendar for those planning to attend. We are hopeful that spring will have fully arrived by then! We were also pleased to see the return of a couple of significant events again this year, including our Easter Egg Hunt in April was well attended, and photos are available for viewing on our Facebook page. I would like to extend my sincere thanks to all of our volunteers who contribute so much to enhancing the quality of life for our residents. Our egg hunt is such a wonderful intergenerational event connecting the youth in our community with our residents creating meaningful experiences and benefits for everyone involved. A heartfelt thank you to all who helped make this event such a success. I hope May is full of sunshine, warmer temperatures and a little less snowfall for all!
