Celebrating 17 Years at Moira Place

On Wednesday, July 29, we will proudly celebrate 17 years of serving the Tweed community. It has been a privilege to care for and support the many residents who have chosen to call Moira Place home. As we reflect on the years gone by, we are reminded of the countless friendships, memories, and meaningful connections that have enriched our lives. Thinking of the people who have touched our hearts and made a difference along the way always brings a smile to our faces.

Rate Reduction Applications – Action Required

If you or your loved one resides in a shared room or an enhanced basic room and receives a rate reduction, you should have received a rate reduction application from our Office Manager, McKayla Wiley. As part of this process, we require a copy of your 2025 Notice of Assessment from the Canada Revenue Agency. This documentation is necessary for us to submit your application to the Ministry of Long-Term Care and ensure that the appropriate reduced accommodation rate is applied. Please return your completed application and supporting documentation, or schedule an appointment with McKayla, as soon as possible. The deadline for submission is **July 15**. Please note that the Ministry's updated accommodation rates take effect on **July 1**.
