

MOIRA PLACE

THE MESSENGER

November 2026

MESSAGE FROM THE ADMINISTRATOR

As Remembrance Day approaches, we are preparing to honour and remember the brave men and women who have served our country, including those who made the ultimate sacrifice in the name of freedom.

Our annual Remembrance Day Service will take place on Wednesday, November 11th, at approximately 11:00 a.m. in the Fireside Lounge. Similar to the ceremony held at the Cenotaph in Tweed, our service will provide a meaningful opportunity for residents, families, and staff to come together in remembrance and reflection.

Over the years, we have been fortunate to hold many beautiful and moving Remembrance Day ceremonies at Moira Place. This year, we will once again take the opportunity to recognize and honour both past and present veterans who have called Moira Place home. There are true heroes among us, and Remembrance Day serves as an important reminder that the freedoms and democracy we enjoy today should never be taken for granted. These liberties came at a tremendous cost, and we are forever grateful to those who served and sacrificed to preserve them.

A Friendly Reminder About Resident Privacy

We would also like to take this opportunity to share an important reminder regarding resident privacy and photography within our home.

With cameras readily available on most cell phones, taking photographs has become a natural part of everyday life. While we appreciate the desire to capture special moments during visits, we kindly ask that visitors refrain from photographing residents other than their own loved ones, unless appropriate consent has been obtained.

Any photographs shared by Moira Place in our newsletters, on social media, or through other publications are done so with the appropriate consent of the residents involved and/or their substitute decision-makers.

It is important to remember that Moira Place is home to 128 residents, each of whom has the right to privacy, dignity, and respect. These rights are protected under Ontario legislation, and we are committed to ensuring they are upheld.

We sincerely appreciate your understanding and cooperation in helping us maintain a respectful, safe, and welcoming home for everyone who lives here. Thank you for your continued support of Moira Place and the residents we are so privileged to care for.

Tera Pollock, RN
Administrator
